Fundamental Basketball Camp  
Boys & Girls Entering Grades 3-5 & 6-8  
July 25-29

Skills  
For  
Life

Located at Kenai Central High School

Coach Ostanik brings 29 years of coaching experience to the court, including 11 years at the collegiate level. As a former head coach at the University of Alaska Fairbanks, Coach Ostanik led the Nanooks to an NCAA Sweet Sixteen and a GNAC Championship. In 2006-07 he was voted the GNAC Coach of the Year and his three-year record of 55-32 still ranks as the highest winning percentage in UAF school history.

Coach Ostanik created the Alaska Basketball Academy (ABA) as a means to conduct low-cost basketball camps throughout Alaska. Coach Ostanik is a well sought after clinician and teacher of the fundamentals of basketball. "It's our goal at the Alaska Basketball Academy to ensure every child learns how to play the game of basketball and develops a love of the game they will carry with them through their life."

## Why Choose Alaska Basketball Academy?

Over the last 13 years, the Alaska Basketball Academy Fundamental Camps has become a popular destination for Alaska's youth who are interested in developing their basketball skills. All of our youth basketball camps are available to players of all levels.

Whether your child is a beginner or has played for years, we are confident your child will be challenged and walk away from camp each day with a smile on their face, tired and having learned something new.

Our fundamental camps are designed to ensure every child has a great time and learns the basics of the game necessary to be successful. More importantly, life skills such as kindness, toughness, work ethic, gratitude, humility, and many others will be taught over the course of camp. Our camps are challenging to players of all abilities, be it a first-time player, or a child who has played their entire life. At the Alaska Basketball Academy, we have developed a unique style of teaching these skills that allows our campers to not only improve their game, but to have fun at the same time.

## Registration Form
